

MAIDEN PRELIMINARY RESULTS SIGNIFICANT GROWTH CONTINUES

Centurion Electronics plc ("Centurion" or the "Company"), the UK market leader in the field of in-car audio-visual entertainment, is pleased to announce its preliminary results for the year ended 30 September 2003.

Financial highlights for the year ended 30 September 2003

- 171% increase in profit on ordinary activities before taxation to £1.18 million (2002: £435,000)
- 50% increase in turnover to £6.25 million (2002: £4.14 million)
- 59% increase in basic earnings per share to 4.45p (2002: 2.80p)
- 102% increase in diluted earnings per share to 4.27p (2002: 2.11p)

Operational highlights for the year ended 30 September 2003

- Successful in securing new research and supply agreements with leading motor manufacturers including Nissan and Kia
- Signed first major pan-European contract with Toyota Europe
- Since launch in June 2003, new generation Plug & Play™ has become the biggest selling in-car multimedia product in the UK. Distribution agreements now in place in Europe
- Ongoing development of new products and post year end launch of Plug & Play Blue™ and ViewTech™, focused on usability and affordability

Steven Cunningham, Chairman of Centurion, commented "The year to 30 September 2003 has been a time of major development, expansion, and innovation at Centurion. We have consolidated our position as the UK's leading supplier of in-car audio-visual entertainment systems, our professional range, Centurion™, has been extremely well received by some of the major names in the motor manufacturing industry and we have signed our first major pan-European contract with Toyota Europe. We have also made significant progress with our retail offering and, in particular, our launch of Plug & Play Blue™ will potentially give us access to a whole new customer base."
