**CENTURION ELECTRONICS PLC  
SUPPLY AGREEMENT WITH CITROËN UK LIMITED**

Centurion Electronics plc ("Centurion" or the "Company"), the UK market leader in the field of in-car audio-visual entertainment systems, has reached an agreement with Citroën UK Limited ("Citroën") to supply Centurion's Plug & Play Blue™ portable in-car entertainment system for sale throughout the Citroën UK dealer network.

Plug & Play Blue™ will be available as an accessory across Citroën's entire vehicle range and will be available throughout their network. The product has been exclusively branded to suit Citroën's requirements. Plug & Play Blue™ is a portable DVD player with an integrated eight-inch widescreen TFT LCD monitor which can be plugged into a vehicle's lighter socket. A mains power supply enables home use and it can be easily connected to another screen, TV or games console.

Lionel Roux, Citroën UK Parts & Service Marketing Manager commented: "Working with Centurion has given us further opportunity to expand our accessories programme and we have been impressed with their ability to tailor products to our specification. We are pleased that we can now supply our customers with Centurion's Plug & Play Blue™ as part of Citroën's in-car entertainment offering."

Brian Hendon, Chairman of Centurion, added: "We are delighted to be providing Citroën with the latest development for their in-car audio-visual entertainment programme. This agreement, following our contract with Peugeot in June, is a further demonstration of our ability to design and implement specific systems for motor manufacturers, underlining Centurion's successful approach to meeting the requirements of the OEM market."
